

STATEMENT OF PURPOSE

RS29021C1 / S1253

The purpose of this legislation is to align the efforts of the Workforce Development Council in facilitating the expansion of work-based learning to the workforce needs of state of Idaho agencies. It eliminates a clause that prohibits youth served under the Council's employment and training programs from being employees of the state of Idaho. Elimination of the clause does not require agencies to hire youth served by the programs; but allows consideration of youth as candidates for open state positions.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund or federal fund because the proposed amendment only eliminates a hiring restriction placed on state of Idaho agencies for youth employment and job training programs.
